RIDE FOR HOPE
OVARIAN CANCER AWARENESS

Dear Charitable Friend,

Ovarian cancer is called the "the silent killer". The symptoms go unnoticed or they are mistaken for other conditions or diseases. There are no screening tests for ovarian cancer which results in most cases being diagnosed in the later stages. The American Cancer Society estimates that 19,680 women were diagnosed with ovarian cancer in 2024. The 5 year survival rate is 50%.

I am writing to you to request a Sponsorship Donation for our 10th Annual Ride for Hope Fundraiser. Please see the enclosed flyer describing our Sponsorship Tiers.

Ride for Hope is an all Volunteer charity. ALL money raised is given to local ovarian cancer patients and a portion to the National Ovarian Cancer Coalition. NOCC leads the fight against ovarian cancer in the U.S. by supporting survivors and caregivers, raising symptom awareness and funding research for a cure.

The 10th Annual Ride for Hope Ovarian Cancer Awareness Motorcycle Ride and Party will be held on Sunday, June 1st. Proceeds from this event will be given to local women battling ovarian cancer with financial hardships. Monies raised will help pay medical bills, clinical trials not covered by insurance, prescriptions, and cover lost wages during treatments.

We have an exciting event planned for 2025– an escorted 60+ mile Scenic Motorcycle Ride with Survivors who are able, to ride on the back seats, Live Music by FREEBYRD, Food Buffet, Silent & Live Auctions, Raffles, Wine Pull, and a visit from the LCC K-9 Comfort Dog Ministry at the After Party. We will also again be hosting our "our Teal Survivor Ribbon".

Please Join us in our passionate mission to spread awareness of the symptoms of ovarian cancer, to help improve the quality of life for this year's recipients, and to provide meaningful financial assistance to them. We are looking forward to your participation to make 2025 our most successful event yet!

Gratefully,

JuliAnne Scully, Founder and 40 year stage 3 ovarian cancer Survivor
